

Glacier Park Field Trip

WHO: 7TH grade team *Paideia*

WHERE: Glacier National Park

WHEN: Monday September 29, 2014

WHAT: Our team is taking a trip to the park! We will learn about Fire Ecology as well as history of the fires and park.

Students need to be prepared to spend the day outside. Comfortable shoes are necessary for the hikes (2-4 miles in length). Layered clothing for the weather should include a warm jacket, hat, and gloves.

Student needs a sack lunch and full water bottle in a small pack. If they usually get hot lunch, provide your student account number and the cafeteria will make a sack lunch for your student to take on the trip.
